Crazy Dangerous is written for Generation Z, the Net Generation or as Thomas Nelson refers to it --- juvenile fiction. I requested a review copy because of the intriguing storyline painted on the back cover. It is an extremely quick yet enjoyable read. I wasn't disappointed as a Baby Boomer and would read Andrew Klavan again.

Andrew Klavan is an award-winning writer, screenwriter, That being said, the first 17 pages of Crazy Dangerous are great, especially the Holden Caulfield-esque part when the hero gets beaten up but gives as good as he gets against the neighborhood bad boys. Then, the structure of the novel starts to wobble.

This is the first Andrew Klavan book I have read, but it certainly won't be the last. He begins Crazy Dangerous with a creepy description of a vision that Jennifer is having. This vision does not get explained until later on in the story, but it definitely sets the stage for the trouble Jennifer and Sam will get into. Throughout the entire story, I kept guessing what would happen.
