9781305109575: FOCUS on Community College Success

In a recent survey of students using FOCUS, 97 % would recommend that their professor use this book again with next year's first year students. Many students

today are over-optionalized and over-obligated. FOCUS ON COLLEGE SUCCESS addresses those issues head-on, creating teachable moments--and concrete results--in every class period.

Bing: Focus On Community College Success

The features that have allowed community colleges to expand access may not be optimal to promote completion of programs that support deep student learning and that prepare students for success. The traditional community college employs a "cafeteria-style" or "self-service" model. 10 In this model, colleges provide many options and services, but students must find their own way through often complex or ill-defined programs.
