Documentation for Smallworld is typically installed with the software itself, and it was (up to at least 4.2) in Windows Help format. The documentation is pretty good and covers user guides, programming, database administration and so on, but I don't think you'll be able to access it without a Smallworld licence.

atmosphere lonely? What about reading **ge smallworld training manual**? book is one of the greatest links to accompany while in your solitary time. gone you have no connections and comings and goings somewhere and sometimes, reading book can be a good choice.
