This course is for those students who are in Primary School, parents who want to help their kids to move forward and excel in their Basic Mathematics, or anyone who is interested in learning basic Mathematics. In this course, you will learn:

Core Maths for Advanced Level - Linda Bostock, S. Chandler

This was a core text for many British A-Level Mathematics students. It is a well written and easy to follow text book. The major flaw in an otherwise super text is that it has several typos and the occasional incorrect answer to self-test questions. These errors can hinder a student's understanding of a concept.
