Review and Ratings

The genre of this book is realistic fiction. The reason why I think this book is realistic fiction is because story can happen in the real world. For example two best friends have the time of there life and then one of the best friends mom think that the other friend is a bad

The Reinvention of Bessica Lefter (Bessica Lefter Series)

The Reinvention of Bessica Lefter follows Bessica into middle school after losing her best friend after a hairstyling incident. Such begins a bit of a downward spiral for Bessica as she hits a new school with parents who don't quite get it and her grandmother, who is very close, off on One of the books that hit my radar over the summer was Bessica Lefter Bites Back
